PRAYER REQUESTS

Church Body: *Cindijo Mitchell*

Cindijo Mitchell had surgery on her foot last July, but she is still having trouble. Her foot surgeon has had to cancel ALL surgeries for an indefinite time. Not knowing when he might be able to return to work, Cindijo found another foot surgeon. Her appointment to meet the new doctor and review her case is not until November 30. Please pray for endurance.

Church Body: *Larry & Sharon Apeland's great grandson, Avery*

On Oct. 27, Larry & Sharon's two year old great grandson fell into an outdoor fire and severely burned his hands. He went in for surgery on Nov. 1 for a graft to regenerate cells and promote growth of the functional dermal skin. A skin graft will take place once regeneration has occurred. Please pray for healing and peace.

Persecution Profile: *Indian Christians*

In October, eight Christian families were driven out of their village after refusing to convert to Hinduism and participate in a Ghar Wapsi (Hindu religious conversion ceremony). They sheltered in a church in a nearby village for eight days, then returned home after advice from police and promises of protection. Now, however, they are being denied access to the village's water and fields for crops.
