PRAYER REQUESTS

Church Body: Beverly Webster's brothers, Hugh & Melvin Sprout
Hugh Sprout, has been diagnosed with COVID Pneumonia and is currently in the hospital. His lungs have improved slightly but he is still on life support. Though Hugh is no longer paralyzed, the doctors are concerned that his kidneys are damaged. Beverly's other brother, Melvin, is now also in the hospital for Covid; he is on oxygen and his vitals are good. Please pray for their recovery and healing, and for comfort for their families.

Missionary of the Month: Roy & Elvia Sprague

Pray for Bob Rodgers as he continues to recover from surgery.

Persecution: Chinese Christians

On January 7, a court in Shanxi province sentenced five Christians from a house church to more than six months of imprisonment. Zhang Ligong, Wang Runyun, Wang Shiqiang, Zhang Yaowen, and Song Shoushan from Xuncheng Reformed Church were arrested and detained for attending a 2020 Christian conference in Malaysia. Though they departed and returned to China through customs with their passports, the Chinese government still regarded their trip as illegal and hit them with fabricated charges. During their trial, the five were able to share the gospel with the judge and gave everyone in attendance an opportunity to know God.
