## PRAYER REQUESTS

### **Persecution:** *Indian Christians*

International Christian Concern reports that in February, a village in India held a meeting where the Christians were told by the leaders to stop Christian prayers & gatherings, and to recant their faith or else they will be social boycotted. After the meeting, the Christians in the village dropped from 40 to 12, the twelve belonging to two families. These two families are strictly prohibited from fetching water from the only public water source in the village, forbidden to purchase groceries from the store, and prevented from work. Mohan Nishad told ICC, "I am not going to leave Jesus and convert back to the Hindu religion. Even if I had to give up my life, I will, but I will not deny Jesus."
