Persecution: Juma Waiswa, Nasimu Naigaga, & Amina Nagudi

Juma, his wife Nasimu, and their 13-yr old daughter Amina in Uganda accepted Jesus as their Savior on Feb. 17 this year after a pastor came to their home, leaving Islam. Relatives and locals called a meeting with the family to recant their faith on March 8, but the family stood firm. Juma's father recited verses from the Quran before the group allegedly began to beat the family with sticks. Then Juma's father then sprayed them with acid while the group shouted 'Allah Akbar [God is Greater], you deserve death', and disowned them. Juma and his family fled and a pastor took them to the hospital for treatment. While at the hospital, their home was set on fire. Their daughter, Amina, was seriously affected by the acid and transferred to another hospital. Please pray for their recovery and for our fellow Ugandan brothers & sisters. *(For more information, please go to ChristianPost.com)*
