PRAYER REQUESTS

Persecution: *Early Rain Covenant Church in China*
Recently, members of Early Rain Covenant Church (ERCC) have undergone several cases of harassment. Starting in May, officials began to interrogate church members and demand them to sign a pledge renouncing their church. In June, the local police raided their church during a worship service and detained a church elder. Despite challenges faced by the ERCC, congregation members remain strong and have refused to sign the pledge. Please pray for their protection and the safety of all Chinese Christians.

DISCUSSION GROUPS

Our desire is that everyone would experience the blessing of joining a Sermon Discussion Group. If you'd like to join one, please let us know!
