## PRAYER REQUESTS

**Church Body:** *Jim & Marilyn Kelly's granddaughter, Reese*  
Reese came down with a migraine headache while on a short-term mission in Atlanta, GA. She could not keep anything down except water so she was taken to urgent care. At this time her doctors are unable to determine her illness and haven't resolved the pain issue. Please pray this issue can be resolved soon so that Reese can rejoin the mission team. Prayer for mom and dad's comfort is also appreciated.

### **Persecution:** *Christians in Myanmar*

Ever since the coup in February 2021, the military has been in control of Myanmar and often targets religious minorities to suppress pro-democracy civilian forces, International Christian Concerns writes. On July 17 this year, thousands of Christians were forced to flee their village of Mohla. They had learned about impending air strikes and shelling by the military so they loaded up the elderly and children into carts and fled into the jungle. On July 18, three helicopters flew over and conducted the air strikes. Please pray for our brothers and sisters in Myanmar.
